winter day retreat - **sat. jan. 16. 2010**

**Where?**

TUCKER HOUSE is a charitable retreat & environmental Learning centre that promotes sustainable living. It's a 30-acre facility with a great old house, and is located 30 min. east of Ottawa.

**Rides?**

Meet at the parking lot outside the residence at 90 University on the uOttawa campus at 9am. We'll carpool together. We'll aim to be back on campus for 9pm. If you can help drive, let us know.

**What?**

We'll spend the day in fellowship, eating, dreaming, playing and reflecting on God's call on our lives, heading into Semester Two. There will also be a good chunk of free time for rest or play.

**Bring?**

Bring some warm clothes for inside & outside, and any instruments or games that would enrich our time together.

**Register?**

All you need to do is let either Andrew Hyde ([yaya@uccanottawa.org](mailto:yaya@uccanottawa.org)) or Andrew Stephens-Rennie ([oayouth@gmail.com](mailto:oayouth@gmail.com)) know you're coming. You'll also need to fill out the form below & bring it with you. The registration fee is \$25 (so bring that too). Obviously if you have dietary or medical needs, it's helpful if we know that ahead of time too.
